## FLORIDA STATE STATUTES SECTION 1. SUBSECTION (10) OF SECTION 553.79-APPLICATION – READ:

(10) "Notice: in addition to the requirements of this permit, there may be additional restrictions applicable to this property that may be found in the public records of this county, and there may be additional permits required from other governmental entities such as water management districts, state agencies or federal agencies."

The enforcing shall require each building permit for the demolition or renovation of an existing structure to contain an asbestos notification statement which indicates the owner's or operators responsibility to comply with the provisions of 469.002 and to notify the Department of Environmental Regulations of his intentions to remove asbestos, when applicable, in accordance with the state and federal law.

Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction
